

Cold press watercolour paper

Long description:

A 100% cotton rag paper with a matte finish, offering a similar archival-standard performance to our Hahnemühle photo rag paper but at a slightly lower weight. With a matte finish and a tight, highly textured surface resembling that of etching paper.

This mid-white stock produces smooth skin tones and is well suited for premium portraiture and wedding photography.

Please note: prints sized 200mm or smaller will come in an envelope; all other sizes will come in a cardboard tube with recycled plastic ends.
