

## Flexi case

| Short description:       | Flexible and durable protective layer                                                                                                                                                                                                                                                                                                                                        |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Long description:        | Our flexi cases are slimline and low profile, fitting tightly around your<br>smartphone. They are manufactured using a high quality TPU<br>material which provides excellent shock absorption to protect against<br>drop and impact damage.                                                                                                                                  |
|                          | This case features a high-quality full colour print with a beautiful satin<br>finish, which is protected by a clear coat layer. The flexi combines<br>protectivity and durability with a stylish slim fitting. Featuring clear,<br>open ports for connectivity.                                                                                                              |
| Features:                | <ul> <li>Flexible and durable protective layer</li> <li>Clear, open ports for connectivity</li> <li>Exceptional print quality and finish</li> <li>Clear coat layer protects prints</li> <li>Slimline and low profile</li> <li>Excellent shock absorbance</li> <li>REACh, RoHS and TUVRheinland certified</li> <li>MagSafe compatible (magnetic ring not included)</li> </ul> |
| Finish:                  | Satin                                                                                                                                                                                                                                                                                                                                                                        |
| Wholesale price:         | From £7.50                                                                                                                                                                                                                                                                                                                                                                   |
